## Reflection

### Promises to keep

Whose woods these are I hardly know,  
his house is in the village though;  
he will not see me stopping here  
to watch his woods fill up with snow.

My little horse must think it queer  
to stop without a farmhouse near,  
between the woods and frozen lake  
the darkest evening of the year.  
He gives his harness bells a shake  
to ask if there is some mistake;  
the only other sound is the sweep  
of easy wind and downy flake.

The woods are lovely, dark and deep,  
but I have promises to keep;  
and miles to go before I sleep,  
and miles to go before I sleep.
